Hello from the Newsletter Editor

The weather has been so fantastic these last few weeks that many of you have probably been able to spend time with your ponies or horses during the lockdown .

I have been busy working with my pony Myfanwy and we have been getting to know each other.

The calendar of events over the past period is empty and so there are no results to report,. Therefore this newsletter is just for this month of May and I have made a feature of photos from the 2015 North Island Combined Drive. I hope you will enjoy looking back at the photos of five years ago.

I hope it will not be long before we can get out and enjoy a club driving day again.

Sarah has put a notice in this newsletter telling us about plans for an AGM meeting and I hope that many of you will be able to come along and have a meal and catch up.

Best regards
Andrea

All the photos in this newsletter were taken at the 2015 North Island Championships, Taupo by Richard Shearer.

President's Report

Hi All,

I hope you all made it through Lockdown with your sanity intact. Some days of keeping my daughter on track with her schoolwork instead of mucking around, made me wonder if I was going to make it LOL. Thank goodness my oldest is working and my middle son is good at keeping himself on track! It's starting to feel like things are getting back to a bit more normal, hopefully it can carry on in this direction.

We are planning the AGM and if things continue to improve then I hope to see you there. Really hoping we will get to hold the Winter Series as I could use a bit of horsey time away from the house and farm. While lockdown didn't change too much around here, I definitely missed competing. If we are able to go ahead with the winter series I hope to be bringing two boys along - Dark-Hunter for some fun and Cole for a bit of experience, not sure if I'm game enough to attempt the dressage while long reining - that's quite a big arena! But he'll either just come to have a play around afterwards or I'll get brave (and hopefully fit enough) to try a dressage test with him.

We have now dried off our cows which should mean a bit more time for horses but somehow, it usually just ends up meaning time to cram everything else that needs doing in before calving starts again mid July.

Hopefully we will all get to have a good catch up shortly and fingers crossed for an epic competition season coming up to make up for the abrupt end of the last one.

See you

Sarah

For Sale : Bryn

Looking for the right home for Bryn, 9 year old 126cm welsh cross, broken to harness, currently competing at Open Level small pony class in Combined Drives, and is coming to terms with the moves necessary, although not there yet. Very willing, honest pony who will give you everything he's got if you treat him well. He doesn't respond well to the whip, although no problem using it for aids, and likes to be driven with a reasonably light contact and not be pulled around. Responds very well to voice commands and is very responsive. He would do well with a kind experienced
